General terms and conditions for permanent pass holders

1. Subject matter

1.1 Eurosport Events hereby intends to limit the risks to which permanent pass holders may be exposed during the events taking place at the racetracks included in the 2021 FIM Endurance World Championship.

2. Obligations of permanent pass holders

2.1 You hereby confirm that you have read and fully understand these terms and conditions and that you agree that the permanent pass is strictly personal and cannot under any circumstances be sold, lent, rent, given and/or in any way transferred to anyone other than you. The permanent pass shall not be altered or defaced. The use of the permanent pass for commercial purposes is strictly forbidden.

2.2. Permanent pass holders who, in the capacity of visitors, access the work areas called "Pit Lane" and "Paddock" (hereinafter referred to as the "Areas") hereby agree that they will do so at their own risk, releasing Eurosport Events from any responsibility for damages or injuries that may be caused to the same holders or to any other persons or things present in the Areas.

2.3 The events of the FIM Endurance World Championship pose certain risks for permanent pass holders due to a number of potentially hazardous situations and areas and, consequently, the participation in these events requires that each Pass holder acknowledge and accept the possibility of being exposed to personal risk. To that end, you hereby expressly acknowledge, fully assume and accept that the activities of the event(s) are very dangerous and involve the risk of serious injury and/or death and/or property damage.

2.3 Permanent pass holders must have an appropriate insurance. A copy of the insurance must be provided to Eurosport Events within the Media accreditation procedure.

2.4 Permanent pass holders acknowledge that this pass does not give the right to film without the Eurosport Events' authorization.
