

The Dunlop Independent Trophy is a common initiative from Eurosport Events, Dunlop and each EWC event local promoter.

Tires eligibility: only tires sold via Dunlop Motorsport Event Service at the FIM EWC Dunlop Independent Trophy Paddock Price.

Tires dimensions (Race season 2017-2018):

- European races: 205/60/17 KR108 rear & 120/70/17 KR106 front.
- Suzuka: 195/65/17 KR133 rear & 120/70/17 KR149 front.

Every bike running the trophy will show Dunlop stickers, provided by Dunlop, at the dedicated places (see appendix).

Every rider running the trophy will carry a Dunlop embroidery, provided by Dunlop, on his racing leather (see appendix).

No competing brand to Dunlop will be shown by the team/riders.

Riders will wear a Dunlop cap, provided by Dunlop, during the podium and press conference.

Riders and teams have the responsibility to actively and positively promote the Dunlop Independent Trophy and the EWC.

Failure to do this will result in exclusion from the trophy and any prize money.

Eurosport Events will be the only entity to decide team eligibility – with the basic criteria being that no support from a bike manufacturer/importer should be part of the team's budget.
